Questions & Answers for Boeing employees**

PARKING AND SECURITY GATES

Q. How will parking be handled at the Auburn, Seattle, Developmental Center, Kent, Renton, and Everett sites and other locations?

A. Parking will be as usual at these locations. Employees will be kept posted on any changes relating to the use of gates and parking lots as changes become necessary.

Q. What general rules should be observed regarding gates and parking lots to be used?

A. Security gates normally used will be open. Normal in-plant parking at all facilities will be continued. Employees will be kept posted on any changes relating to the use of gates and parking lots as changes become necessary.

Q. Will Boeing provide any special inside parking passes for non-union employees during a strike?

A. No special passes will be issued. If problems develop for those coming to work, exceptions on parking restrictions will be reviewed and modified by Security working with representatives from the Human Resources organization.
