## **JON DAMUSH**

**Senior Director, New Business Ventures  
Boeing NeXt**

Jon Damush is senior director of new business ventures for Boeing NeXt, a business division building the ecosystem that will define the future of urban, regional and global mobility. He is responsible for collaborating with business partners to advance Boeing's future mobility initiatives, including oversight of the SkyGrid joint venture, a software platform enabling the safe integration of unmanned and autonomous vehicles into the global airspace.

Damush was formerly the chief growth officer of Insitu, Inc., a Boeing subsidiary. During his tenure at Insitu, he established the commercial business unit and oversaw the strategy and marketing functions of the company. Damush came to Insitu through Boeing's acquisition of 2d3 Sensing, where he was president and chief executive officer.

He holds a Bachelor of Science degree in mechanical and aerospace engineering and a master's degree in business administration from the University of California, Irvine. He is also a licensed commercial pilot and certified flight instructor.
