上海波音 BOEING SHANGHAI

打造世界一流航空改装维修企业
BUILDING A WORLD CLASS MRO

机库建设

上海波音航空改装维修工程有限公司位于中国上海浦东国际机场全新MRO设施内。机库建设计划分为两期工程。机库一期工程于2009年9月完工，拥有两个宽体机位，每个机位可以容纳一架波音747-8大小的飞机。一期工程还包括配套建筑，例如车间、仓库、地面支持设备、安保、废水处理 and 办公室，以及工具、测试设备以及零件全套仓储，以支持737NG和767-300飞机的定检维修业务。

每个机库的规模都可最大容纳波音747型或777型飞机。

Hangar Construction

The Boeing Shanghai Aviation Services is located in a state-of-the-art MRO facility at the Pudong International Airport, Shanghai, PRC. Plans call for construction in two phases. Phase 1 of the hangar was completed in September 2009. It houses two widebody bays, each capable of accommodating an aircraft the size of a 747-8. Phase 1 also includes support buildings, including back shops, warehouse, GSE, security, water waste treatment, and offices as well as a comprehensive inventory of tooling, test equipment, and parts to support heavy checks on 737NG and 767-300 aircraft.

Each hangar bay is capable of accommodating aircraft as large as a 747 or 777.

关于我们

上海波音航空改装维修工程有限公司(以下简称“上海波音”)是波音公司,上海机场(集团)有限公司和上海航空股份有限公司共同出资组建的合资公司。2006年6月,上海波音获得由中华人民共和国商务部颁发的批准证书。同月,上海工商行政管理局颁发上海波音营业执照。

上海波音落户于中国上海浦东国际机场内。

上海波音拥有独特的优势,它分享了原装备生产商波音公司的技术、质量标准和专业知识。上海波音得益于波音公司的最佳运作模式,包括波音公司的质量标准要求和能精化生产流程的电子化信息技术。

上海波音拥有自己的维修培训中心,并由波音下属Alteon公司提供培训讲师,从而保证了维修技术的品质和最大限度的安全标准。

上海波音是一个能够提供高效率,高品质维修服务的航空MRO企业。

About Us

Boeing Shanghai Aviation Services Co., Ltd. (Boeing Shanghai) is a joint venture between The Boeing Company, Shanghai Airport Authority, and Shanghai Airlines. In June 2006, the Ministry of Commerce of China issued a certificate of approval to the joint venture and the Shanghai Bureau of Industry and Commerce granted a business license the same month.

Boeing Shanghai is located at Pudong International Airport, Shanghai, PRC.

Boeing Shanghai Aviation Services offers the advantages of an MRO with the skills, quality, and knowledge of the original equipment manufacturer. It leverages Boeing's best practices, including Boeing quality standards, information technologies, and applications for efficient, cost effective operations.

Boeing Shanghai operates its own Maintenance Training Center, staffed with Training & Flight Services (formerly Alteon) instructors, to ensure quality workmanship and the utmost in safety standards.

Boeing Shanghai Aviation Services is an MRO airlines can rely on for cost effective, high-quality maintenance services.
