Boeing: Corporate Focus Areas/Objectives</p>	<p>We work within the five enterprise-wide focus area objectives to develop a site-specific plan tailored to the particular needs of the North Alabama community. Overall, our charitable investment decisions are based on identifiable outcomes that provide the maximum benefit to the community and meet real needs in the short term but have broader positive effects beyond the period of our involvement. Funding priority is given to programs that focus on Child Care and Early Learning (Pre-K) and K-12 Teacher Professional development programs. Specifically, grant requests are evaluated on:</p> <ul style="list-style-type: none"> • Alignment with our corporate focus area objectives, company values and core competencies • Clearly defined expected outcomes relative to community needs, that are measurable, scalable, and have a sustainable impact on the community beyond the period of the company's involvement • The extent to which the project or program demonstrates innovation, collaboration, leadership and diversity • The organization's financial viability, programmatic strength, and legal compliance
