Which of the five Boeing focus areas does your site support? Boeing: Corporate Focus Areas/Objectives	Currently, we accept grant applications in all five focus areas but funding priority will be given to programs that focus on civic, environment and health & human services								
Does your local grant making concentrate on specific issues within the standard Boeing focus areas? Boeing: Corporate Focus Areas/Objectives	<p>We work within the three enterprise-wide focus area objectives to develop a site-specific plan tailored to the particular needs of the Central & Eastern Europe community. Overall, our charitable investment decisions are based on identifiable outcomes that provide the maximum benefit to the community and meet real needs in the short term but have broader positive effects beyond the period of our involvement. Funding priority is given to programs that focus on promoting democratic ideas of tolerance, diversity and multiculturalism; empowering women; introducing practical usage of business, management and leadership skills; encouraging children to pursue their interests in science and on ecological education. Specifically, grant requests are evaluated on:</p> <ul style="list-style-type: none"> • Alignment with our corporate focus area objectives, company values and core competencies • Clearly defined expected outcomes relative to community needs, that are measurable, scalable, and have a sustainable impact on the community beyond the period of the company’s involvement • The extent to which the project or program demonstrates innovation, collaboration, leadership and diversity • The organization’s financial viability, programmatic strength, and legal compliance 								
Do you accept requests for in-kind donations and if so, what do you generally donate?	Typically, we do not accept requests for in-kind donations.
