

LOCAL CORPORATE GRANT-MAKING GUIDELINES: **KANSAS**

Are unsolicited grants accepted or do I need an invitation code?	Yes, agencies may apply at anytime.
If I need an invitation code, how do I acquire one?	You do not need an invitation code.
Do you only accept proposals during specific timeframes?	We accept proposals anytime in the calendar year.
What is the average size of your cash grants?	Our grants vary greatly in size. Please contact Chrissie Nixon at 316-977-1212 or email at chrissie.nixon@boeing.com to discuss the viability of your proposal.
Do you accept requests for in-kind donations and if so, what do you generally donate?	Yes, we accept in-kind proposals. We generally provide in-kind computer equipment and printing services.
Can I apply for Boeing corporate, ECF, sponsorships and in-kind resources?	Yes, you may apply for various types of Boeing charitable support. Generally we ask that agencies decide which support area best fits their needs and apply for that type of support. There are exceptions in certain instances. Please contact Chrissie Nixon at 316-977-1212 or email at chrissie.nixon@boeing.com for information on a possible charitable grant.
If I call or email with a general question, how soon will someone get back to me?	You can expect a reply via phone or email within 72 hours. Your patience is appreciated.
Once I submit my grant application when will I hear if it's been approved?	It generally takes 90 days for grant proposals to be reviewed and a funding decision made. You will be notified when a decision has been made; your patience is appreciated.
Do you accept grant applications in all five Boeing focus areas?	Yes, we accept proposals in all five Boeing focus areas.
Within the standard Boeing focus areas, does your local grant-making concentrate on anything specific?	<p>Yes, in the area of Arts and Culture we support programs that:</p> <ul style="list-style-type: none"> • Build school districts' capacity to adopt policies, plans and budgets for quality standards-based arts education integrated in the school day for all students • Promote direct standards-based arts education services in the classroom. <p>In the area of Early Learning, Primary/Secondary Education we support programs that:</p> <ul style="list-style-type: none"> • Increase number and quality of math and science teachers at high school level • Increase teacher skills and improve curriculum in grades K-5 by working with science centers.

What is the best method for contacting my GCC focal?

If you have additional questions or need more guidance after reviewing these guidelines, please contact Chrissie Nixon at 316-977-1212 or email at chrissie.nixon@boeing.com
