

LOCAL ECF GRANT-MAKING GUIDELINES: OGDEN, UTAH

Are unsolicited grants accepted or do I need an invitation code?	We currently do not accept unsolicited grant requests. You must have an invitation code to apply.
If I need an invitation code, how do I acquire one?	All invitation codes are given after the committee has voted to approve the grant.
Do you only accept proposals during specific timeframes?	We accept proposals at anytime. We only meet to approve proposals on quarterly basis (unless there is an urgent request i.e., a hurricane).
What is the average size of your cash grants?	The average size of a grant for the Ogden site is \$2,500.
Do you accept requests for in-kind donations and if so, what do you generally donate?	ECF does not offer in-kind support.
Can I apply for Boeing corporate, ECF, sponsorships and in-kind resources?	There are several instances where we will also refer an agency to request corporate grants.
If I call or email with a general question, how soon will someone get back to me?	I try to get back to agencies ASAP. The only reasons there would be a delay is if I am out of the office or researching an answer. Generally we reply within 72 hours.
Once I submit my grant application when will I hear if it's been approved?	It usually takes about 90 days.
Do you have a specific focus area for grant making?	We like to focus on agencies that serve children and their families.
Are there any exclusions in your grant making strategies?	We do not donate to individuals or those who are seeking funds for a single person (i.e., transplant operations, medical catastrophes, etc.)
