

**LOCAL CORPORATE GRANT-MAKING GUIDELINES: NORTHWEST REGION (WASHINGTON, OREGON, HAWAII)**

<p>Are unsolicited grants accepted and do I need an invitation code?</p>	<p>Yes, we accept unsolicited grants. In-kind requests require an invitation code. If you are an organization that has never received Boeing funding, it is recommended that you contact the focus area community investor listed below to discuss your project.</p>
<p>Do you accept requests for in-kind donations? If yes, what do you generally donate?</p>	<p>Yes. Our primary in-kind donations consist of printing and surplus goods. For Northwest Region in-kind, use the following URL and invitation code of <b>inkind678</b>  <a href="http://www.cybergrants.com/pls/cybergrants/ao_login.login?x_gm_id=1292&amp;x_proposal_type_id=3557">http://www.cybergrants.com/pls/cybergrants/ao_login.login?x_gm_id=1292&amp;x_proposal_type_id=3557</a></p>
<p>Do you accept proposals during specific timeframes?</p>	<p>Organizations may apply anytime; however; certain programs have designated schedules or an RFP process</p>
<p>What is the average size of your cash grants?</p>	<p>Our grants vary greatly in size. We consider investments with projects that have a broad base of community support, which include funding and other resources from corporations, foundations, and individual donors.</p>
<p>Can I apply for grants from The Boeing Company and the Employees Community Fund (ECF)? Can I also apply for multiple resources (cash, sponsorships, in-kind)?</p>	<p>Yes, you can apply for grants from both ECF and The Boeing Company, as they are two separate funding sources. ECF considers Health and Human Services cash grants only. The Boeing Company considers multiple resources; however, you are encouraged to contact the community investor prior to submittal of grant request(s).</p>
<p>If I call or email with a general question, how soon will someone get back to me?</p>	<p>You can expect a reply via phone or email within two business days. Leaving a detailed message, including the nature of your request, organization name, phone number, and email address, helps us expedite the response.</p>
<p>What is the timeline for your grant review process?</p>	<p>It typically takes 30-90 days depending upon the type, readiness, and/or complexity of the proposal.</p>
<p>Do you accept grant applications in all five Boeing focus areas?</p>	<p>Yes</p>
<p>Within the standard Boeing focus areas, does your local grant-making concentrate on anything specific?</p>	<p>Local investment strategies align with corporate objectives. Please refer to Northwest Region website at <a href="http://www.boeing.com/companyoffices/aboutus/community/pugetsound/">www.boeing.com/companyoffices/aboutus/community/pugetsound/</a> or contact the focus area community investor listed below if you still have questions</p>
<p>What is the best method for contacting my GCC focal?</p>	<p>The preferred method of contact is through email. If you have additional questions or need more guidance after reviewing these guidelines, please contact the focus area community investor listed below.</p>
