# Your Benefits Program

Boeing – South Korea

*Locally Hired Employees*

***People working together as a global  
enterprise for aerospace leadership***

This vision unifies Boeing employees around the world. Regardless of where you live and work, you contribute to the Company's future growth and success.

---

Boeing–South Korea is pleased to offer you the new Employee Benefits program providing competitive and tax-effective medical, life and disability benefits effective 1 December 2004.

We seek to provide a competitive, beneficial program for you and your dependents to supplement the State benefit provisions, including the National Pension Scheme.

This brochure summarizes the new Boeing–South Korea Benefits Plan. Every effort has been made to provide accurate information, but in the event of a conflict between this brochure and the official documentation, the terms of the official documentation will prevail.

In addition, this brochure has been translated from the original Korean. While every effort has been made to provide an accurate translation, conflicts and ambiguities in translation do sometimes arise. In the event of such a conflict or ambiguity, the official plan documentation will control.

This brochure describes certain benefits Boeing–South Korea will provide to eligible employees effective 1 December 2004. Employees have no contractual right to the benefits described in this brochure, and Boeing–South Korea retains the right at any time at its sole discretion to cease to provide, vary or replace some or all of the benefits provided by it, without any liability for paying additional compensation to employees who were receiving them.
