## **Leif R. Dunn**

### **F-15SG Program Manager**

Leif Dunn is program manager of the F-15SG for Boeing's Integrated Defense Systems (IDS). He is responsible for all aspects of program performance for the Singapore F-15SG Program.

Prior to accepting this assignment in 2001, Dunn was Manager, Special Programs, F-15 Advanced Design and Program Manager, F-15/F-4 for United States Air Force Programs.

Dunn joined Boeing in 1989 as a manager in program development in the Washington D.C. office. Dunn became Senior Manager of Business Development in the D.C. office before transferring to St. Louis as the program manager for the F-15 Manned Defense Suppression Program.

The F-15SG Program Manager is a retired U.S. Air Force officer with a career highlighted by various flying and staff assignments. He holds a bachelor's degree in Biology from Rensselaer Polytechnic Institute and a master's degree in Computer Science from George Washington University.
