GWENDOLYN S. (GWEN) KOPSIE

**Director
International Industrial Participation and Alliances**

Gwen Kopsie is director of International Industrial Participation and Alliances Programs for Boeing Integrated Defense Systems. She is responsible for the development and implementation of all industrial programs undertaken in support of the sale of the unit's products.

Kopsie joined McDonnell Douglas in 1981 to work in the Harpoon Contracts organization. She has held various business management leadership positions in Contracts and Pricing and Financial Operations. As business manager and contracts manager, Kopsie led the team responsible for the international and domestic Harpoon/Standoff Land Attack Missile business activities. She was manager of the F-15 Contracts and Pricing team, manager of Business Operations for the St. Louis Fabrication Centers, and business manager for the F-15 and Joint Helmet Mounted Cueing System programs

Kopsie holds a bachelor's degree in business administration from Southern Illinois University and a master's degree in business from Washington University.
