

## Bus Tour Schedule

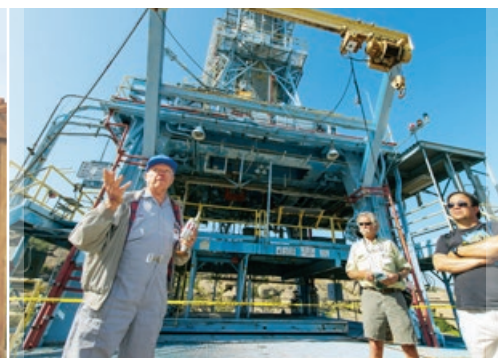

Santa Susana is located at:  
5800 Woolsey Canyon Rd.  
Canoga Park, CA 91304

You are invited to a bus tour of the former **Santa Susana Field Laboratory**. Started in the 1950s, the site played a key role in the development and testing of rocket engines for the U.S. space program, including the first satellites and the Space Shuttle. In addition to its historical significance, **Santa Susana** features diverse flora and fauna and is a crucial link in a vital habitat linkage.

Tours will be held  
**9 a.m. – 12 p.m.**  
and **1 – 4 p.m.**

on the following dates:

**Saturday, June 13**  
**Saturday, July 11**  
**Saturday, October 10**  
**Saturday, November 14**
