BOEING GLOBAL ENGAGEMENT
Supporting Local Communities

Through our work in local communities, we support STEM education initiatives, assist military members, veterans, and their families, promote environmental stewardship, advance racial equity and provide for communities in need – including disaster recovery and relief efforts worldwide.

In 2022, Boeing, its employees and retirees – with the help of Boeing Gift Match – contributed more than $197 million to help build better communities worldwide.

In 2022, Boeing employees volunteered 366,000 hours in support of global community partners.

We partner with community organizations to drive positive change around the world. We do this through strategic charitable investments, employee engagement activities and targeted advocacy efforts.

Investing in the communities where our employees live and work is a Boeing core value.
90% of employees surveyed say their manager supports their overall well-being.
