Subject: Errata Package for Interim Source Removal Action (ISRA) Phase II Implementation Report - 2010 Activities, California Water Code Section 13304 ISRA Order (NPDES No. CA0001309, CI No. 6027, SCP NO. 1111, Site ID No. 2040109)

Dear Mr. Unger:

Attached to this letter is an errata package to the April 2011 Interim Source Removal Action (ISRA) Phase II Implementation Report – 2010 Activities (Phase II Report). Topographic surveys were corrected subsequent to submittal of the Phase II Report, which affect select survey sheets in Appendix C (Topographic Surveys) and select figures in Appendix E (Pre- and Post-Excavation Figures and Tables). The errata package contains the updated Appendices C and E in their entirety. The errata package will be posted within the next 10 days on the Boeing External website at the following address: http://www.boeing.com/aboutus/environment/santa_susana/isra.html.

If you have any questions, please contact me at (818) 466-8795.

Sincerely,

Art Lenox
