

DYNAMATIC TECHNOLOGIES LIMITED

Award: Outstanding Performance – Defense, Space & Security

Sustaining high level of performance in support of key Boeing Defense, Space & Security supply chain initiatives.

Q: What does it mean to be recognized as a Supplier of the Year?

A: Dynamatic is honored and delighted to be named Boeing's Supplier of the Year. This recognition also reflects the close partnership between Dynamatic and Boeing in elevating Dynamatic to become a leading global supplier.

Q: How did your company get started?

A: Dynamatic began operating in the early 1970s, specializing in the production of hydraulic gear pumps. In the early 1990s, CEO U. Toby Malhoutra, pursued his passion for aerospace and started developing aerospace capabilities in a garage. Over the past three decades, Dynamatic has evolved into a Tier 1 supplier for prominent OEMs such as Boeing.

Q: What should people know about your company?

A: Dynamatic Technologies Limited designs and builds highly engineered products for Aeronautic, Hydraulic, Metallurgy and Security applications. With futuristic design, engineering and manufacturing facilities in Europe and India, the company can meet customers' exacting requirements across six continents.
