

HARPER ENGINEERING CO.

Award: Support & Services

Provides outstanding support or services to Boeing. This includes engineering support, logistical support, and/or site services.

Q: What does it mean to be recognized as a Supplier of the Year?

A: It is truly an honor to be selected by Boeing as one of the top aerospace companies in the world. We are very proud of our company, and receiving this award is an affirmation to all of us that stellar performance and great customer service is noticed!

Q: How did your company get started?

A: Mr. Harper "Harp" was inspired by the thought of designing and building the best products at a fair price that are defect free and on time, every time. Harp never lost that inspiration, and this inspiration drives the Harper culture today to live a culture of innovation and deliver perfect parts on time.

Q: What should people know about your company?

A: Harper Engineering is a company that is committed to perfection. We strive daily to operate in ways that positively differentiate Harper Engineering from our competition.
