BOEING

MICROSOFT

Award: Outstanding Performance – Indirect Supply Chain

Sustaining a high level of performance in support of key Boeing supply chain initiatives.

Q: What does it mean to be recognized as a Supplier of the Year?

A: This award is a great recognition of our team's dedication, innovation, and collaboration in delivering solutions to Boeing and its customers, and to Boeing's continued trust and partnership.

Q: How does your team exemplify excellence?
A: Our Boeing client team and leadership team are driven by an inclusive culture that fosters collaboration and innovation, and by an unwavering focus on finding creative ways to support Boeing's business needs.

Q: What should people know about your company?
A: Microsoft is a global leader in technology and innovation, with a mission to empower every person and every organization on the planet to achieve more. Microsoft offers a wide range of products and services, such as Azure, Windows, Office, Xbox, Surface, LinkedIn, Bing and more, that help people and businesses solve their challenges and reach their goals.

Q: What is your company vision/mission?
A: Microsoft aims to empower every person and every organization on the planet to achieve more.

Q: How do you inspire employees?
A: We inspire our employees by grounding our culture in having a growth mindset, being customer-obsessed, being more diverse and inclusive, and operating as One Microsoft – all in service to making a difference in the world.

Q: What's an interesting fact about your company?
A: Microsoft has committed to being carbon negative by 2030 and, by 2050, to remove from the atmosphere an equivalent amount of all the carbon dioxide we have emitted either directly or by our electricity consumption since we were founded in 1975.
