

EU Chapter 2 Phase Out Schedule

- Approved March 2, 1992

EU Directive Requires

- Begin Chapter 2 phase out on April 1, 1995
- Chapter 2 airplanes which reach 25 years of age during the phase out period must be retired or brought up to Chapter 3 Standards
 - Limited exemptions may be granted to:
 - Operators with Chapter 3 or retrofit kits on order by April 1, 1994
 - Airplanes on the register of a developing nation
 - Operators who would be adversely affected to an "unreasonable extent"
- Exempt Chapter 2 with HBPR until 4/1/2002
- An operator is not required to phase out more than 10% of their fleet per year
- Total ban of Chapter 2 airplanes on April 1, 2002
