This airport is located in a country that is an ICAO Contracting State. It is not known if this country adopted the ICAO recommendation (Resolution A28-3) for the phase out of Chapter 2 airplanes.

CHAPTER 3 RESTRICTIONS - [NONE](#)

COMMENTS

There are no restrictions on aircraft operations. The airport is open 24 hours a day. As traffic increases however, it is foreseeable that we will encounter problems because of noise. The Airport Authority has therefore planned to acquire more land in the take-off and approach fans to stop settlement of there immediate areas.
