Boeing charitable investments work to develop tomorrow’s innovators through a focus on STEM education, support military veterans and their families, encourage environmental stewardship and advance racial equity and social justice.

In 2021, Boeing, its employees and retirees – with the help of Boeing Gift Match – contributed more than $187 million to help build better communities worldwide.

In 2021, Boeing employees volunteered 290,000 hours in support of community partners globally.

At Boeing, we partner with community organizations to drive positive change around the world. We do this through strategic charitable investments, employee engagement activities and targeted advocacy efforts.

Investing in the communities where our employees live and work is a Boeing core value.

DiversityInc. named Boeing a Top 20 Company for Diversity

We’ve reduced emissions by 20% to 25% in each new generation of Boeing airplane compared to the generation before.

Our factories in Renton and Charleston as well as most sites in Ill., Ind., Ohio, Penn., Texas and the U.K. run on 100% renewable electricity.

We’ve invested $2 billion in our communities over the last 10 years.
